Critical components from reputed brands	Experienced team from pre-sales to post sales
K2 Cranes presence across the spectrum of industries	Prompt delivery commitments and customer coordination
Choice of Top companies in INDIA with repeat orders	Highly responsive and quick after-sales support team
One of the best crane manufacturing factories in INDIA	Unique state-of-the-art facility to manufacture Crane components with high-precision CNC machines

SINGLE GIRDER

Upto - 15 Ton

DOUBLE GIRDER

Upto - 300 Ton

- Crane duty geared motor with inbuilt DC brake
- High Tensile rope for more safety factor
- Compact and modular design low headroom hoist
- Plug & Play for quick installation
- 2 Speed with VFD, Cross pulling Prevention, Load cell with display
- IOT Enabled, AI Ready, Antisway

DH Hoist
Upto 100 Ton

**DVR Rope Hoist
Single Girder**
Upto 12.5 Ton

**DVR Rope Hoist
Double Girder**
Upto 80 Ton

DHR Rope Hoist
Offers a choice between
Steel & Synthetic Ropes
Upto 80 Ton

**DC-Pro chain Hoist
Single Girder**
Upto 5000 kg

**DC-Com chain Hoist
Single Girder**
Upto 2000 kg

OUR NEW PRODUCT

TROLLEY

Up to
200
Ton

Vast Range of Transfer Trolleys

We offer a comprehensive range of Transfer Trolleys — both motorised and manual — engineered to operate on rails or without rails, depending on site requirements. The top platform is fully customisable to suit specific customer applications, such as:

- Cross rail integration
- Coil handling solutions
- Painting booth grating compatibility
- Other tailored configurations

Our solutions are built for versatility, efficiency, and safety in diverse industrial environments.

AGV

Electrical/Battery-Operated Transfer Trolleys

Up to
20
Ton

- Electrical/Battery Operated Transfer Trolleys offer a smart, safe, and efficient solution for transporting heavy loads across industrial floors.
- Designed for flexibility and zero-emission operation
